2007 Dedication

Originally from Pittsburgh, Mr. David Danner has been a part of Weymouth Public Schools since he was a fifth grade teacher at Abigail Adams. Later he became a popular social studies teacher at Weymouth High School, and eventually became a dean of students. He has decided to retire along with this senior class and move to Oregon with his wife, Lynne, an assistant principal in Milton. Having had the last command of the South Weymouth Air Station, Mr. Danner was a great inspiration to his son Matt, a United States Marine Corps Captain. He is a very generous man, as he serves dinner at Father Bill's the last Thursday of every month. He has been an inspiration, a friend, and an amazing person to all of us. Mr. Danner you will be greatly missed.

We're going out together...

Senior Class Officers

To the graduating class of 2007.

As you look at this yearbook in years to come, I hope you do so cheerfully rather than longingly. I hope you remember the good times and bad hair which memorializes most peoples high school years. I hope you can look at how far you have come, how much you have accomplished and how much further you still have to go. Your life will drastically change, and you will change with it. Do not be afraid of this change. As Mohammed Ali said, "The man who views the world at 50 the same as he did at 20, has wasted 30 years of his life". We should all learn from our mistakes, grow as a result of our achievements and embrace our gradual change into adulthood.

This year the team completed the season with a record of 9-3. The team was the Baystate League Carey Division Champions, which put them in the playoffs for the first time since 2002. Dedicated during the off-season, the team was led by a strong senior class. This strong, positive attitude carried over into the fall where the team was involved in many close games. Successfully winning two games by a single point and also winning a close game against Needham, allowed the team to clinch the division. Another highlight of the season was a victory on Thanksgiving Day over Walpole in a heated game.

The boys finished the season with an outstanding 9-2 record. The Senior Captains, Mark, Craig and Jake, all displayed excellent leadership throughout the season. Senior Dan Pope was named a league all-star. The team defeated rivals Newton North with a result of 22-33 after losing to them every season for almost a decade. The boys' only losses this season were to the Division 1 and Division 3 champions. Overall, the boys finished 13th at the Class Meet and 5th in the Bay State League. This 2006 team is one that *will be remembered.*

This fall, the Girls' Cross Country Team finished its most successful season yet when they placed fifth at the Eastern MA Meet to advance onto their first ever All-State Championship. Led by captains Sam Sacchetti and Felicia Catarella, the girls finished 9-2 in the Bay State Conference. Their only losses were to rival power-houses Newton North and Wellesley. The call to avenge the loss to Newton North in order to make states was answered when the girls got huge performances from all of their scholastic and league All Stars; Nicole Pearce, Sam Sacchetti, and Kristen Mahoney, as well as big days from Carolyn Connolly, Sarah McCarthy, and Heather Wiencko to achieve the upset. These outstanding performances were followed by an amazing 7th place finish at Northfield Mountain in the Division 1 State Championship.

In our first ten games we built a record of 6-1-3 and our only loss was to Brockton. We remained undefeated in our conference and took home the Bay State League crown with a record of 11-0-5. The team was rewarded with six Bay State League All Stars in Matt Hohmann, Owen Quane, Matt Lynch, Dave Winrow, Colin Lynch, and Matt Patten. Our final regular season record was 13-1-6 and we were the fourth seed in the MIAA South sectional soccer tournament. We started the tournament with a 2-0 win over Attleboro in the first round. We then drew B.C. High in the quarterfinals and smoked them 4-1 on our home field. The semi-finals were against Needham, our Bay State rivals, and we gave up two early goals but came storming back with two of our own in the second half, only to lose in overtime 3-2. The loss was disappointing but the good memories will always remain with the friendships each of the team members has found.

The 2006 Weymouth Girls' Soccer Team opened their season with a 3-1 victory over the Needham Rockets. The win jump started the season for the girls, who were undefeated in the first nine games of the season. The team also qualified for the state tournament after only twelve games. Weymouth will lose some outstanding players to graduation. All of the seniors played important roles for the squad and will be greatly missed. Among the returnees next season will be 16 players who will attempt to capture a league title and possibly playing for a state title. Good luck in the future to all of our seniors. Congratulations to all the girls once again for their 2006 season.

The 2006 Weymouth High School Golf Team was composed of many dedicated, hardworking athletes. The team was led by captains Doug Brown, Alex Bartlett and Brendan Duane. Though the team failed to win a match, each player made significant improvements in their games. The team shows promising signs, especially with the many young prospects entering the program. The future of the Weymouth High School Golf Team is certainly starting to take shape. We are all confident that brighter days are sure to come.

The Swim Team finished their nail-biting season with a record of 5 - 9. Captains Catherine O'Connell, Christine VanLoan and Emma Murphy all led the team to several record-breaking performances both in relays and in individual events. The juniors and sophomores continued to improve, producing several members of the post-season relay teams. The freshmen proved themselves to be incredibly talented by either breaking, or coming close to breaking, multiple school records. No matter who they swam against, the team stepped up and stayed competitive.

After missing the 2005 tournament for the first time in 5 years, the Wildcats finished their regular season with two great victories over Brockton and Framingham. Their record of 10-8 allowed them to qualify for the South Sectional Tournament. Although their tournament experience was short-lived, losing to Norwood in the first round, the season was a success thanks to a strong graduating class and the support of all the returning players.

Despite our disappointing record, we stayed extremely positive and played our hardest throughout the season. The team was lead by senior captain Madeline Anderson while juniors Robyn Linscott, Kelsey Brennan and Brittany Wirta were noted for their leadership. Next year's veterans will consist of Allison O'Rourke, Mackenzie O'Dea, Shari Sweeney and Danielle Sullivan. Coach Daley is anticipating working towards improving the team record and winning close games against some of our competition such as Framingham and Braintree.

Along with every other sport at WHS, the basketball team enjoyed an unforgettable successful season. The team made the state tournament for the first time in the last 13 years. Their hard work throughout the regular season earned them home court advantage for the first round in the tournament. In the first round the team came up with a win, but lost in the next round to #1 seeded Madison Park. This 2007 team has turned the entire program around and will lead future teams to success. Congratulations to Bay State League Coach of the Year, Jim Dolan; 3-point champion Michael Valovcin; All-Stars Tommy Deegan and Rob Sinewick; captains Michael Valovcin, Joey Vento, and Kyle Gill, and the rest of the seniors. The Varsity Girls Basketball team competed in a very strong Bay State League, in which each game was very intense and competitive. Being relatively inexperienced, with only one starter returning from last year's team, the girls finished the season with a record of 6 wins and 12 losses. The team's captains consisted of senior Katie Smith and juniors Jackie Moscardelli and Jess Stuart. These young women were all exemplary leaders in practices and games, always showing great hustle, enthusiasm and team spirit. Sophomore Sarah Collins led the team in scoring with 12.1 points per game and rebounding with 11.4 rebounds per game. Jackie Moscardelli led the in team in assists and three-point shooting. Both Jackie and Sarah were all stars and added much to the team along with the rest of the players.

The boys' lacrosse team had another successful year, winning some big games against Winchester and Hingham before falling to Malden Catholic in a very intense game during the state tournament. 2006 was the last season in the career of, Hall of Fame, coach Tony Manzelli, who started Weymouth Boys' Lacrosse in 1971 and has retired. He will be missed, but things are looking good for 2007, as the team has many returning starters including seniors Connor Keefe, Marty Tuohy, Matt Hickey, and Ross O'Toole.

The 2006 season was a great building year for the Girls' Lacrosse program. The team was led by senior captains Stephanie Buckley and Maria Castagnozzi, and junior captains Lee Chau and Rachel McCabe. The captains did an outstanding job of setting the bar high for future Weymouth Girls' Lacrosse teams. This year there was great improvement from all the juniors. Another notable achievement was that of Jackie Moscardelli who was selected to the Bay State All Star Team for the first time. The 2007 team will anticipate the return of 10 starters, incredible teamwork and captains Lee Chau, Rachel McCabe, Katie McDonald and Jess Ruvido to lead us to success.

The 2006 season was one of change for the Weymouth baseball team. We played our first season on the newly designed George Player Field on the campus of Weymouth High School. A much improved Wildcat team finished the season 7-13, losing several games by a single run. The future certainly looks bright. Leadership was displayed by senior captains Tony Luciani, James Page and Joe Walsh. The rest of the seniors included Tim Leahy, Matt Bailey, Matt LeRoy, Bobby Walker, Ben Sholds, and Casey Griffis all of which had good seasons. The unquestionable highlight of the year was winning the 1st annual Wildcats Invitational Tournament hosted by WHS.

To the boys of 2006,

As the first year of coaching you boys have come to an end. I look back and realize that we really do have a great team. From winning meets to pasta fests, the track team really rallies together to have a great time on and off the track. You boys have accomplished a lot this season and I think that when we look back at this season, well realize that it was one of the best there was.

I would like to thank the captains, Greg, Alex, and Derek. Without the three of you leading this team, we would have gone no where. The three of you did a great job and I have you thank you for such a great season. Good luck to you, and all the seniors, as you venture out into the real world! You are always welcome to come back and check on your team it will always be your team.

The WHS Girls' Tennis team, led by third year Coach John Caterer, closed out another successful campaign with a 7-9 record. They were eliminated from play-off contention on the last day of the regular season. Senior co-captains Brianne Cummings and Tricia Frawley are prepared to lead a more experienced Wildcat squad to victory during the coming 2007 season. Along with seniors Jackie LaFrance, Bonnie Le and Trang Vo, the Wildcats will assuredly be eyeing a playoff invitation to substantiate their commitment and enthusiasm over the last few years. Caterer reports that, "Last year's success symbolizes the hard work and dedication that each player put forth on a daily basis. If the girls can play up to their potential, they are as dangerous a team as any in the Bay State League."

The Wildcat is the official newspaper of Weymouth High School. It is our job to keep the school community informed and talking about all of the issues. Our staff takes great pride in producing such a professional publication. Students in this club create the newspaper from scratch. They come up with the stories, do the research, and get the interviews they need. They even secure the advertising that allows the paper to fund itself. After pounding the pavement, they then layout the newspaper and, with the help of graphic arts, get it printed. It is then distributed to our readers, where the paper belongs. A special thanks to our co-editors Janine and Colleen for the hard work and dedication they have given to make this year a great success.

All the families were watching their babies through the hospital window glass,Papa thought you were the most beautiful baby-not like the ones with lots of hair!
You were the first grandchild and we all wanted you to have the best.
So the family all had a part in raising you, but Nana worked the hardest-now she can rest!
You were in a leather bomber jacket shopping with me at the store-
I paid with food stamps as you put your Nike-clad foot up on the counter.
I wanted to hide in the floor!
I guess we started your clothing and shoe wild obsession-
Oh no, thatd be Papa-he too had quite a collection!
Nana and Papa would be proud, as we all are , at the man youve grown up to be.
Remember your family will always love you NOW go be a great Attorney!

Nicko:

Yesterday you placed your small foot on a bus to kindergarten and (almost overnight) today we watch you prepare for college writing essays, taking SATs, filing applications, etc. Where on earth did the time go? We are proud of you today and wish you great success tomorrow! Good Luck Son as you continue to spread your wings. All Our Love.

Mom, Dad, Stefanie, Sofie & K-cakes.

Nick Spileos

Sparky,
You are our Son Shine and have made us very happy. We are proud of the young man you have become. It seems like yesterday that you were jumping from the coffee table to perform a Hulk Hogan move or running around as a super hero with the black cape Auntie Brenda made for you. The simple things in life have always made you happy. The suns come up and the suns come up!! you would utter in amazement every morning. As you embark on your journey through college remember your core values: honesty, respect, and empathy. The sun will always come up!!! As one of your childhood mentors would say to Infinity and Beyond. Just make sure you call home and Nick says XBOX 360 stays in Weymouth. Lots of kisses and hugs!

Mom, Dad and Nick X Spinella

You've come a long way baby!

Senior Song

"Save Tonight"

Go on and close the curtains
cause all we need is candle light
You and me and a bottle of wine
going to hold you tonight
Well we know I'm going away
and how I wish, I wish it weren't so
So take this wine and drink with me
let's delay our misery

Save tonight
and fight the break of dawn
Come tomorrow
tomorrow I'll be gone

Save tonight
and fight the break of dawn
Come tomorrow
tomorrow I'll be gone

There's a log on the fire
and it burns like me for you
Tomorrow comes with one desire
to take me away it's true
It ain't easy to say goodbye
darling please don't start to cry
Cause girl you know I've got to go, oh
Lord I wish it wasn't so

Save tonight
and fight the break of dawn
Come tomorrow
tomorrow I'll be gone

Save tonight
and fight the break of dawn
Come tomorrow
tomorrow I'll be gone

Tomorrow comes to take me away
I wish that I, that I could stay
Girl you know I've got to go, oh
Lord I wish it wasn't so

Save tonight
and fight the break of dawn
Come tomorrow
tomorrow I'll be gone

Save tonight
and fight the break of dawn
Come tomorrow
tomorrow I'll be gone

Save tonight
and fight the break of dawn
Come tomorrow
tomorrow I'll be gone . . .
